Atlanta, GA

## Experience

### EDUCATION

Judson College, Elgin IL

*Bachelor of Arts in Visual  
Communications, 2004*

Georgia Tech

*Full Stack Flex Bootcamp  
Fall of 2020*

### TOOLS

Sketch, Invision, Principle, HTML/CSS,  
JavaScript, jQuery, Adobe CD,  
Cinema 4d

### VOLUNTEER

As VP of membership of my local  
Toastmasters club, I worked on club  
growth, retention and overall member  
experience (2017–2018)

As an instructor at WonderRoot (RIP),  
I led a 6-week course teaching  
InDesign basics (2014)

### SENIOR PRODUCT DESIGNER, PGI, 2017–2020

Drove the design evolution of the GlobalMeet desktop app from a webconferencing  
tool to a multi-channel calling, chat and meetings experience

Collaborating with dev teams weekly in Agile environment

Extensive user interview and testing sessions

### SENIOR DESIGNER, MACQUARIUM, 2017

Planned and designed web and mobile interfaces for Georgia Natural Gas,  
Mercedes-Benz Stadium, InfoTycoon

Conducted regular work-in-progress presentations with clients

### SENIOR DESIGNER, MAKE & BUILD, 2016

Planned and designed web and mobile interfaces for IBM, PrimeSport, Omnience

Conducted regular work-in-progress presentations with clients

### MARCOM DESIGNER, KIDS2, 2012–2016

Helped plan, design and launch Kids2 first responsive e-commerce website

Participated in and managed multiple rebrand campaigns, including the Baby  
Einstein 2015 rebrand

Art-directed and supervised numerous photo/video product shoots

Planned and designed large environmental installations in US, Europe and Asia

### FREELANCE DESIGNER, STEWDIO, 2008–PRESENT

Working closely with clients on small branding projects

### ASSOCIATE DESIGNER, MAYCREATE, 2007–2008

Assisted small to mid-sized business with branding, advertising and interactive  
design services
